This Northern Spain Motorcycle Tour does honor to its name. Like a fine perfume, this tour combines all the wonderful aromas that one expects to find in the North of Spain; from the salty azure waters of the Cantabrian Sea along the Costa Verde, to the pristine fields of verdant grass of the Basque Valleys and the crisp air of the majestic mountains of Asturias's Picos de Europa. But the Essence of Northern Spain Motorcycle Tour is also a rich blend of spectacular and unforgettable landscapes, and of encounters with ancient cultures that will delight you day after day.
